

# SAFER MAGIC

OPTIONS FOR SOCIAL DISTANCING MAGIC SHOWS

Magic is a popular entertainment option for events. But would your guests feel comfortable with a magician at your event in the coming month?

2 possible performance options that can match the required social distancing and hygiene rules.

## STAGE SHOW

- People in the room are sat apart according to the social distancing rules.
- When volunteers come to help on stage. It's all from a safe distance and safety measures are in place by having markers on stage where people have to stand.
- Ask people to clean their hands with antibacterial gel as they get up and as they leave the stage
- Keeping props to a minimum. Mind reading will work excellently for this type of show.

## SECRET CLOSE-UP ROOM

- Set up a separate room/table and people come to see the show.
- The chairs are laid out correctly with adequate distance between them.
- 5-25 guests can be admitted at a time. The show runs from 5-15 min
- Props can be sanitized between shows. E.G. Coins wiped with antibacterial wet towels, new deck of cards.
- Hand sanitizer for guest that help during the performance.
- Effect that limit contact (mind reading effects, visual effects)
